

1st February 2010

Comms One Welcome Onboard Their New Support Team.

It is with absolute pleasure that we welcome Comms One new partner support team.

Leading the team will be Emma Filmer who joins Comms One as Head of Operations. Emma has many years experience managing partner relationships within the telecoms industry and is looking forward to building new partnerships with Comms One. As well as a great reputation, Emma brings with her Diane Larcombe, June Howard and Lauren Grundy, all of whom are fantastic at what they do.

The team are a huge asset to Comms One and we are delighted that they have decided to progress their careers with us. We wish them all the greatest success.

Please feel free to call Emma on 0844 8546996 to discuss how the Comms One team can help you.

About Comms One

Comms One is at the leading edge of telecom service provision in the UK. The company was established by two of the industry's most highly experienced specialists, who have a proven track record in achieving vast commercial success in this sector.

Having held senior positions in FTSE companies including Cable&Wireless and BT, we are now using our unrivalled experience and knowledge base to build a new kind of communications business to serve and benefit our clients.

With many years of combined experience, we have become experts in all aspects of telephony, including Calls Expenditure, IP Telephony, Hosted Telephony, Inbound Telephony, Billing and Reporting

We are committed to helping your business, whatever your industry, flourish. We do our job well, so you can concentrate on doing yours.

Comms One is based in Stansted
